MEMORANDUM FOR: Director of Economic Research

SUBJECT : IG Survey of OER

1. Attached is the IG Survey of OER. When you read it, you should take a great deal of pleasure in their general findings. I would like you to prepare a memorandum putting forth your reactions to the IG Survey, particularly those regarding the recommendations made in the Survey. In addition there were some problems where questions were raised in the Survey and even though they did not result in any recommendations, I would like you to give me your thoughts. I am thinking in particular of the comments on pages 10, 24, 28, 29, and 34.

2. Please have these comments to me by 1 March. We would like you to hold this Survey as closely as possible. Obviously, Doug should read it, and I leave it to your discretion as to other senior personnel. In any event, I would not expect the number to be large and probably it would be best to give them the results of the Survey in some kind of oral briefing.
